BAILE EN EL BOSQUE

Dos Rios Camp 2019

What should I bring?

- * Clothes appropriate for weather (shorts, jeans, tank tops, skirts, jacket/sweatshirt, sandals, tennis shoes etc). In August it is typically hot (high 90s) during the day and colder at night (mid 50s).
- * Tent
- * Sleeping bag, pillow, matt
- * Flashlight/head lamp
- * Toiletries
- * Water bottle
- * Sunscreen
- * Bug repellent
- * Organic, biodegradable soap and shampoo (such as Dr. Bronner's)
- * Dance clothes (shorts and/or yoga/sweat pants; tank top; long flow-y Caribbean skirt, tennis shoes)
- * Swimsuit and towel, floatation devices 😊 that can be easily carried
- * Snacks that do not need refrigeration (nuts, sports bars etc)
- * River/shower shoes (although it is possible to do without)
- * Band-aids for dancing feet, aspirin, tampons/pads, other personal items etc.
- * A conga drum and/or bata if you plan on taking drumming classes
- * A day bag (You may want to go all day without returning to your tent. Classes are about a 5-10 minute walk away from the tents, and the river is about a 5-10 minute walk away from the classes.)
- * Battery operated alarm clock
- * Hat and sunglasses
- * Cash
- * Extra drinking water

Please bring enough clothing for the 4 sweaty days. There is no laundry on the property.

What shouldn't I bring?

- * Your grandmother's jewels - we cannot be responsible for lost or stolen property.
- * The fire danger is HIGH. This means no open flame. No incense, candles, stove tops etc.
- * No dogs.
- * Due to odor sensitivities, please refrain from using strong oils, perfumes or cologne while at camp.

What are the accommodations like?

Located between the towns of Covelo and Laytonville in Mendocino County, our ranch in Dos Rios is nestled in the enchanted hills of Northern California. The Eel River weaves through the property, which is filled with old oak trees. Like many parts of California, students will need to keep their eyes peeled for Poison Oak, Rattle Snakes (rarely seen), and Bees.

Students will be camping on the property and need to bring their own tent and sleeping bag.

Dance classes are held in the outdoor barn and the outdoor stage. Both are in shade and are kind to one's bare feet and knees.

There is swimming in the Eel River, which is about a 10-minute walk away from the main house. This is also a great way to rinse off after a long day of dancing. *Please note that part of the walk to the river includes a fairly steep embankment. (It is possible to drive to a different swimming hole also on the Eel.)*

Please remember that this is a camping experience. Students will mainly be using port-o-potties and outdoor showers. We ask that students limit the number of showers they take during their stay. **Please bring an organic, biodegradable soap**, such as Dr Bronner's.

There is a main house. We try to keep the main house quiet and with limited student access so that there is a place for the teachers to rest and plan classes and for the cooks to safely prepare food.

Walking does happen. The main house and the area for camping are separated by a gravel driveway that is up a hill (about a 5-minute walk).

What if I don't have a tent?

There are several places that rent out tents and other camping gear.

In the Bay Area, we recommend: Outback Adventure, REI, Sports Basement, Lombardi Sports, Any Mountain, to name a few.

Dance Mission can also set-up AND supply you with a tent and sleeping gear for an additional fee. Please call us at 415-826-4441 if you are interested in this option.

What about car camping?

Car camping / sleeping in one's car is not possible as there are two different, distinct areas for parking cars and setting up tents.

Please note that not all cars will make it down the driveway to the camping area, as it is steep and not paved. Those that do not have 4-wheel drive will be parked at the entrance to the property. Accessing these cars during camp, while not impossible, will be slightly inconvenient. We will shuttle people/gear down to the camping area if you are parking your car at the entrance to the property.

Do I have to sleep on-site? What if I don't want to camp?

While we recommend sleeping on the property to take advantage of the entire camp experience, it is not required. There are several hotels in Willits (about 40 minutes away). Although close by, we do not recommend for non-locals to stay in Covelo or Laytonville, as the roads to get to these towns are windy, not frequently traveled, and there is no cell phone service. There **are** a few Airbnbs in the area. We suggest booking these early!

If you would like to sleep off-site instead of camping and need help with arrangements, please call us at 415-826-4441 and we will be happy to assist. There are a few houses in the town of Dos Rios that have extra rooms.

Is there Internet access or a phone on the property?

Please note that there is no Internet or cell phone service on the property. There is a landline in the house that is available for emergencies (phone number is 707-405-0015). While it is possible to head into Laytonville (13 mi away) to use a computer, we encourage students to take advantage of these four days to disconnect from the daily grind, immerse oneself in the fabulous dance, music, and culture that will surround them and enjoy the serenity of the Eel River.

I went to camp in 2014. How has camp changed?

We are thrilled to be working with Pilon Kitchen this year! <https://pilonkitchenvf.com/catering-menu/>

We are limiting the number of campers.

We will have some snacks available to pick at throughout the day to keep energy up.

We have new outdoor showers (check out the photos on the website - coming soon!)

We have a new refrigerator just for student use. If you have special food requirements, please do bring snacks.

We have a new stage!

We have new lighting!

We have new camping spots available closer to the main house.

How can my family contact me if there is an emergency?

There is a landline in the house that is available for emergencies. The phone number is 707-405-0015.

How do I get there?

The site is located at 10501 Dos Rios Road, Dos Rios Ca. Please note that the Dos Rios Road is sometimes also referred to as the Laytonville-Dos Rios Road.

You are able to take as many or as few classes as you wish. Feel free to make your own schedule. Please note that the cost of camp is fixed and that there is no price differentiation based on attendance. Students can enjoy the river, taking long walks, reading/writing, and/or resting (!) when not in class.

Can I bring my dog?

Please leave pets at home.

Can I bring my kids?

Please note that camp is for adults. However we do know that sometimes it is hard to find a babysitter. Kids under the age of 13 who are not taking class may come to Dos Rios for an additional \$225 to cover the cost of food. Please note that childcare is not provided.

Do you have any Work Exchange opportunities?

We do have Work Exchange opportunities. Students will work approximately 10 hours over the course of the weekend in exchange for discounted tuition. Work Exchange shifts will include helping with the cooking and the clean up. They may also include helping check-in, and making food pickups. Please email stella@dancemission.com if you are interested in learning more. Work exchange participants will need to arrive early for orientation and leave late on Monday. Please only apply to work if you are able to come early/leave late.

I have never danced before. Can I attend camp?

Most of the classes will be appropriate for all levels. Both the novice and the experienced dancer and drummer are encouraged to attend.
