

Driving Directions to Dos Rios

PRINT these out old school style as there will not be cell phone service after Willits. **Your GPS will NOT work.** It is approximately 3.5 hrs to Dos Rios from the Bay Area. There can be traffic – especially if you leave during rush hour. So give yourself time and take schnacks.

Please arrive on the land during the registration time: 3-6pm on Friday Aug 30. If you know that you have to arrive outside of this window, please email us (stella@dancemission.com). **It is not possible to arrive after dark.** Because of this, if you get stuck in traffic or are otherwise delayed and have to arrive after 7pm, please stay in a hotel in Willits instead and join us on the land Saturday between 9-10am. The phone number in Dos Rios is **707-405-0015**.

FROM THE BAY AREA

*** Take 101 North**

* Note: You will pass by Willits on 101 North. Willits is the last place that you will have cell phone service. You can buy snacks in Willits, fill up with gas etc. The property is about 40 minutes away from Willits.

* **Make a right on CA 162 E** , and stay right. (Turn off is approximately 12.5 mi from Willits. You will pass a rest stop on your left and the 162 exit will be shortly after on your right. If you get to the town of Laytonville, you have gone 10mi too far.)

* **Make a left onto Dos Rios Road** (Approximately 15 mi after the CA 162 turn off. You will go over a bridge, and then you will immediately see a sign that says “Dos Rios Road, ½ mi”. Make this left.)

* The road splits. Follow the signs for Dos Rios Road – which means **take the low road**, the road on the left.

* You will pass through the “town” of Dos Rios (“town” is an enclave of about 10 houses).

* The road become gravel / unpaved. Continue on this road for about 1/2 -3/4 mi.

* **10501 Dos Rios Road will be on your left.** Make sure you see the sign for 10501. Do NOT go down any driveways unless you see 10501!
